Dear **Dipak Gautam**,

Congratulations on successfully completing your **Java internship** with **Swabhav Techlabs** from the period of **7th December 2020 to 7th January 2021**

You have achieved excellent results in your internship – passed all proposed tests, practical works and showed excellent knowledge of both practical and theoretical material. This is evidenced how well you worked on the project given to you. Dipak, you showed great interest in the concepts taught to you, have actively participated in the lectures and showed willingness and ability to study material beyond limits of the internship.

You have proved to have a divergent, abstract thinking style, native intelligence and good problem solving skills, along with good interpersonal skills and leadership qualities.

It was a delight to work with you, Dipak. I hope you had a great learning experience. Please find your internship completion certificate along with this letter.

We wish you the very best for your future endeavors. Do stay connected :)

Regards,
Aditi T, Business Associate
